## Pre-Adoption Inquiry Form

Thank you for your recent inquiry about adopting a thoroughbred through the R.A.C.E. Fund. In order for our organization to consider a possible adoption of any said horse we require that you provide us with some pertinent information so we can assess if you would be a good match for the horse in question. Therefore, please complete the questionnaire below and either mail it or email to the R.A.C.E. Fund at [info@racefund.org](mailto:info@racefund.org). After we have completed reviewing the questionnaire and checking with references that you provide we will contact you advising you if your request has been approved or denied. If we feel you are committed to providing a suitable lifetime home and a good match for the thoroughbred in question we will then send you an adoption application to sign. The R.A.C.E Fund reserves the right to deny any potential adopter for any reason we deem necessary.
